

U14 Program of Excellence

The Program of Excellence (POE) is Hockey Canada's elite development and competitive program that provides players with exposure to international competition and the best high-performance coaching in the country.

The U14 Program of Excellence is an introductory level program offered by Hockey Eastern Ontario to start and educate young athletes on the Hockey Canada POE Pathway (U17, U18, U20 and Olympic Teams). This is **NOT** your typical hockey camp. The program runs over a single weekend (Friday - Sunday) and provides players on ice development sessions with HEO High Performance coaches and Certified Hockey Canada Skills instructors. Players will also receive off ice presentations on several different topics. The program is only open to players that played U14 AAA or AA in the season preceding the camp.
